Castor Wheel Traffic	No Effect (EN425)
Residual Indentation	0.08mm (EN 433)
Dimensional Stability	Pass (EN434)
Curling	Pass (EN434)
Sound Reduction	9dB (ISO 140-8)
VOC Tested	Pass
Country Of Origin	Fully Imported

Klassikos

The Klassikos range offers a rival to carpet tiles with flexibility in design encompassing 3D texture across several weaves and tones, ensuring a practical and exciting flooring solution for any commercial area.

Zoiros

Zoiros, the Greek word for 'vibrant' perfectly describes this collection. All designed with the same weave, the colours in the Zoiros range mix and match with each other to create bright interiors, or they can be used to create colourful spot tiles when mixed with the Klassikos range. The Zoiros colours also coordinate with the Sentoni Stripe range, facilitating the creation of zones in the commercial environment.
